

PROJECT OBJECTIVES

In order for the Project to be successful, we establish the following goals as a plan and objective.

General

- To contribute to the promotion and protection of the rights of children in the areas of the city of La Plata and the greater La Plata.

Specific

- To run a Home to house children who are not under the care of their parents.
- To create an interdisciplinary team capable of caring for the different needs of every child.
- To offer and strengthen personal relationships based on the good treatment of children, providing them with a positive living experience while they stay at the home.
- To offer activities that would encourage the recovery of a healthy family environment.
- To promote the socialization of children enlarging the spectrum of relationships in the community.
- To provide a space of active citizen participation that would channel the desires to build a better society.
